

# SAVI Slim™

Get off to a great start by getting your body in fat burning mode.

SAVI Slim is an all natural, science based thermogenic. This patent pending formula ensures you start the day using the most powerful elements of the Mediterranean Diet.

### Protect Weight Loss Cells

Olive Polyphenols protect vital weight loss cells. SAVI's patented formula is 300x richer in antioxidants and 200x more bioavailable than the purest olive oil—reducing cellular inflammation and cause related obesity.

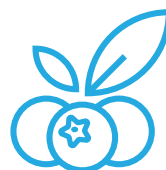

### Burn More Calories

Mediterraneans enjoy the natural energy from ingredients of coffee and green tea. SAVI has combined these energy boosters with a natural coastal seaweed to burn calories faster during the day.

### Reduce Your Cravings

Natural ingredients like Berberine and Chromium Picolinate will balance blood sugar and can reduce unwanted cravings by as much as 25%.
